Aid of Final Degree

The Aid of Final Degree provides financial support to international students (B.A./M.A.) who are in the end phase of their studies. Its purpose is to help ease financial strains as students are preparing for completion of their degree. (PhD candidates should contact the Welcome Centre for application guidelines). The following criteria applies:

- Financial need (e.g. if previous semesters have been financed through part-time work).
- Good academic record
- Final degree is set to be achieved preferably within the next 6 months
- A letter of recommendation confirming academic performance

Application documents:

- Completed application form with photo (preferable no older than a year)
- A letter of motivation including the reason for need
- Curriculum Vitae
- Student transcripts (verified by the faculty examination office)
- Current certificate of enrolment
- Letter of recommendation, preferably from the supervisor of the final thesis

Application dates:
- July 15 with financial aid starting no earlier than October of the same year
- January 31 with financial aid starting no earlier than March of the same year

Amount of scholarship and length:
- Bachelor students can receive up to 750 Euro per month (for 1 or up to max. 6 months)
- Graduate students can receive up to 850 Euro per month (for 1 or up to max. 6 months)

Due to financial constraints, scholarships are generally awarded for a period of 2 - 4 months.
