BRIDGE started in April, as a EURAXESS (Horizon2020) project.

The project BRIDGE will hold an **online project follow up meeting on October 22, CET.**

**We would like to have your input** and remote presence in the meeting, especially in the following topics:

- Current situation of refugee researchers in Europe
- Your project (outcomes, open questions)
- Synergies
- Dissemination of outcomes

Or other from your point view relevant topics.

You can find more about the project here: [http://www.uni-bielefeld.de/bridge](http://www.uni-bielefeld.de/bridge)

We would like to drive your attention also to our pool of experts for refugee researchers: [http://www.uni-bielefeld.de/International/projects/bridge/experts.html](http://www.uni-bielefeld.de/International/projects/bridge/experts.html), which will published in the final form in December for public use on the EURAXESS site of the European Commission. Do you have suggestions for the pool?
