Applications invited for a full-time
research position
at the Faculty of Mathematics
(E13 TV-L, non-permanent position)

Your Tasks

- research in the group of Prof. Dr. C. Voll, especially to participate in the DFG project "Order zeta functions of number rings and resolution of singularities", in cooperation with Prof. Dr. A. Frühbis-Krüger, Hannover (80%)
- teaching obligation to the extent of 2 LVS (10 %)
- to collaborate in academic self-administration (10%)

Your Profile

The successful candidate is expected:

- to hold master degree in mathematics
- to have completed or nearly completed a PhD in pure mathematics with a focus on algebraic geometry, number theory or group theory

Preferable qualifications:

- experience in asymptotic group theory and/or computer algebra
- independent, autonomous and active work attitude
- cooperative and team-oriented work ethic

Remuneration

Salary will be paid according to Remuneration level 13 of the Wage Agreement for Public Service in the Federal States (TV-L). As stipulated in § 2 (1) sentence 2 of the WissZeitVG (fixed-term employment), the contract ends after a period of three years. In accordance with the provisions of the WissZeitVG and the Agreement on Satisfactory Conditions of Employment, the length of contract may differ in individual cases. The employment is designed to encourage further academic qualification. In principle, these full-time positions may be changed into part-time positions, as long as this does not conflict with official needs.

Bielefeld University is particularly committed to the career development of its employees. It offers attractive internal and external training and further training programmes. Employees have the opportunity to use a variety of health, counselling, and prevention programmes. Bielefeld University places great importance on a work–family balance for all its employees.

Application Procedure

For full consideration, your application should be received preferably via email (a single PDF document) sent voll@math.uni-bielefeld.de by the 27th of October 2017. Please mark your application with the identification code wiss17265. Please do not use application portfolios and send only photocopies of original documents because all application materials will be destroyed at the end of the selection procedure. Further information about Bielefeld University can be found on our homepage at www.uni-bielefeld.de.

Bielefeld University has received a number of awards for its achievements in the provision of equal opportunity and has been recognized as a family friendly university. The University welcomes applications from women. This is particularly true with regard both to academic and technical posts as well as positions in Information Technology and Trades and Craft. Applications are handled according to the provisions of the state equal opportunity statutes. Applications from suitably qualified handicapped and severely handicapped persons are explicitly encouraged.
