

ZiF RESEARCH GROUP

*CULTURAL CONSTITUTION OF CAUSAL COGNITION:
RE-INTEGRATING ANTHROPOLOGY INTO THE COGNITIVE SCIENCES*

Workshop Cultural Consensus Analysis: Theory, Method and Applications

Convenor: John Gatewood (Lehigh University)

June 21 – 22, 2012

Wednesday, June 20

18:00-20:30 *Reception and BBQ at ZiF*

Thursday, June 21

09:00-11:00 **Welcome and Introduction**
Two days, two objectives:
Day 1 – in-depth discussion of cultural consensus analysis; and
Day 2 – introduction to the cultural domain analysis using Anthropac software.

Presentation 1

Cultural Consensus Analysis: Theoretical background

11:00-11:15 *Coffee Break*

11:15-12:30 **Presentation 2**
Conjoining cultural models and consensus analysis

12:30 – 14:00 *Lunch*

14:00-15:30 **Presentation 3**
Consensus analysis and subcultural variation: Examining the second consensus factor

15:30-16:00 *Coffee Break*

16:00-17:15	Presentation 4 Effects of different "distribution patterns" on key indicators of cultural consensus
-------------	---

18:30	<i>Dinner</i>
-------	---------------

Friday, June 22

09:00-11:00	Session 1 Data collection exercises: Free listing, Single pile sorting, Triadic comparisons Software Set-up: Setting up the software (Anthropac, DOSBox, TexPad) and mechanism for file-sharing
-------------	--

11:00-11:15	<i>Coffee Break</i>
-------------	---------------------

11:15-12:30	Session 2 Computer Lab: Anthropac's data file format, menus, options, etc. Analysing selected data files
-------------	--

12:30 – 14:00	<i>Lunch</i>
---------------	--------------

14:00-15:30	Session 3 Computer Lab (continued): Analysing selected data files (e.g. re-doing of examples from John Gatewood's ANTH 376 class)
-------------	--

15:30-16:00	<i>Coffee Break</i>
-------------	---------------------

16:00-17:15	Session 4 General Discussion / Q&A
-------------	--

19:00	<i>Dinner at "Brauhaus"</i> <i>Hagenbruchstrasse 8, Bielefeld, #0521-62351</i>
-------	---
