

**Announcement by the German Academic Exchange Service
Support program for international Doctoral candidates
STIBET 2016**

Together with the German Academic Exchange Service (*Deutschen Akademischen Austauschdienst, DAAD*), the Welcome Centre announces a final degree scholarship for international doctoral candidates. Successful applicants receive a monthly stipend of €784 for up to 6 months. Prerequisites include a good academic record and the expectation that the degree will be granted within a year.

Final degree support is also intended to help international doctoral candidates who have come into financial difficulties – through no fault of their own – concentrate on completing their studies.

Full applications require:

- Completed application form
- Chronologic CV
- Recommendation form completed by a university professor
- Matriculation form copy
- A statement of need

Deadline for applications is **1.4.2016**. Self-nominations are accepted.
