## **ABOUT THE PROJECT**

“**BRiDGE: Bridge for Researchers in Danger Going to Europe**” is a two-year project (01.04.2018 -31.03.2020) funded under the EU Framework Programme for Research and Innovation Horizon 2020 with coordinator Bielefeld University (Germany) and partners from Greece, Switzerland, Turkey and Bulgaria – members of the European Commission network for career development and mobility of researchers **EURAXESS**.

**The main objective of the project** is to support refugee researchers displaced in these countries to find their long term professional realization in research and business organizations in Europe by providing dedicated to their needs training and mentoring, as well as opportunities for beneficial networking, contacts and sharing of personal experience.
