

BRiDGE Training “Train the Trainer Course for Academic Mentors”
31 Oct 2019, Bielefeld, Germany

During the training, mentors will be offered practical advice, resources, information and guidance on how to successfully mentor refugee researchers (RRs) and thus support their integration and professional realization. In addition, advice on equality and diversity issues and on how to reduce any potential inter-ethnic tension at workplace and promote a more integrating environment will be provided to those willing to be RRs' mentors.

It is a one-day training, focused on the following topics:

- important aspects of working with RRs;
- internal and external resources and organizational support for RRs mentors;
- intercultural integration;
- how to use BRiDGE' project' program for mentors.

ABOUT THE PROJECT

“BRiDGE: Bridge for Researchers in Danger Going to Europe” is a two-year project (01.04.2018 -31.03.2020) funded under the EU Framework Programme for Research and Innovation Horizon 2020 with coordinator Bielefeld University (Germany) and partners from Greece, Switzerland, Turkey and Bulgaria – members of the European Commission network for career development and mobility of researchers EURAXESS.

The main objective of the project is to support refugee researchers displaced in these countries to find their long-term professional realization in research and business organizations in Europe by providing dedicated to their needs training and mentoring, as well as opportunities for beneficial networking, contacts and sharing of personal experience.
