

BRiDGE Training “Train the Trainer Course for EURAXESS Staff as Non Academic Mentors”

29 November 2019, Bonn, Germany

One of the main priorities of the EURAXESS Service Centres is to provide guidance, information and support to researchers who are pursuing a research career in another country. EURAXESS Staff members' advice, assistance and support can contribute to refugee researchers' (RRs) integration and professional realization in their country of residence.

The training aims at boosting EURAXESS staff skills in advising and helping the RRs to cooperate with industrial employers and act as their mentors.

It is a one-day training, focused on the following topics:

- important aspects of working with RRs;
- internal and external resources and organizational support for RRs mentors;
- intercultural integration;
- how to use BRiDGE' project' program for mentors.

ABOUT THE PROJECT

“BRiDGE: Bridge for Researchers in Danger Going to Europe” is a two-year project (01.04.2018 -31.03.2020) funded under the EU Framework Programme for Research and Innovation Horizon 2020 with coordinator Bielefeld University (Germany) and partners from Greece, Switzerland, Turkey and Bulgaria – members of the European Commission network for career development and mobility of researchers EURAXESS.

The main objective of the project is to support refugee researchers displaced in these countries to find their long-term professional realization in research and business organizations in Europe by providing dedicated to their needs training and mentoring, as well as opportunities for beneficial networking, contacts and sharing of personal experience.
