The Faculty of Mathematics offers a part-time
Research position (PhD position)
starting as soon as possible
(E13 TV-L, non-permanent position)

Main responsibilities
A PhD position in the research group of Prof. Dr. Kai-Uwe Bux is to be filled. The successful candidate will be supervised by Dr. Dawid Kielak.

The research group, led by Prof. Kai-Uwe Bux, consists of two post-docs and 3 PhD students.
The main responsibilities are:
- research in the area of geometric group theory
- teaching obligation to the extent of 3 LVS

For more details, please follow the link https://www.math.uni-bielefeld.de/~dkielak/PhDposition.php

Applicant’s Profile

We expect
- the candidate to hold or to be about to complete (by the closure date) an academic degree equivalent to a master in mathematics or in a relevant subject area

Preferable qualifications
- experience with group theory or geometry/topology
- perseverance, creativity and imagination
- ability to communicate mathematical facts and questions

Remuneration
Salary will be paid according to Remuneration level 13 of the Wage Agreement for Public Service in the Federal States (TV-L). As stipulated in § 2 (1) sentence 1 of the WissZeitVG (fixed-term employment), the contract will end after one year. An extension by further two years is intended. In accordance with the provisions of the WissZeitVG and the Agreement on Satisfactory Conditions of Employment, the length of contract may differ in individual cases. The employment is designed to encourage further academic qualification. The position is advertised as a 75 % part-time job. In individual cases, this percentage may be reduced on request, as long as this does not conflict with official needs.

Bielefeld University is particularly committed to equal opportunities and the career development of its employees. It offers attractive internal and external training and further training programmes. Employees have the opportunity to use a variety of health, counselling, and prevention programmes. Bielefeld University places great importance on a work–family balance for all its employees.

Application Procedure
For full consideration, your application should be received via either post or email (a single PDF document) sent to dkielak@math.uni-bielefeld.de by the 4th of April 2018 (open until filled). Please mark your application with the identification code: wiss18047. Please do not use application portfolios and send only photocopies of original documents because all application materials will be destroyed at the end of the selection procedure. Further information on Bielefeld University can be found on our homepage at www.uni-bielefeld.de.

Bielefeld University has received a number of awards for its achievements in the provision of equal opportunity and has been recognized as a family friendly university. The University welcomes applications from women. This is particularly true with regard both to academic and technical posts as well as positions in Information Technology and Trades and Craft. Applications are handled according to the provisions of the state equal opportunity statutes. Applications from suitably qualified handicapped and severely handicapped persons are explicitly encouraged.
