The Faculty of Mathematics offers a part-time
research position
starting as soon as possible
(up to E13 TV-L, non-permanent position)

Your Tasks
Applications are invited for one PhD-position partly supported by the Alexander von Humboldt Professorship of William Crawley-Boevey in the Faculty of Mathematics at Bielefeld University. Supervisor of the PhD project will be Prof. Dr. Henning Krause. Your tasks will be the following:

• contribution to the research activity of the group in the area of representations of finite dimensional algebras, working in that area, or a related area such as noncommutative algebra or homological algebra (85 %)
• teaching obligation to the extent of up to two hours per week (15 %)

For further information please visit: www.math.uni-bielefeld.de/birep/

Your Profile
We expect
• academic degree (e. g. masters) in a relevant field
• independent, responsible and committed work attitude
• cooperative and team-oriented work ethic

Preferable qualifications
• contribution directly to the existing research areas of the Bielefeld Representation Theory Group (BIREP)
• fluency in English

Remuneration
Salary will be paid depending on personal skills up to Remuneration level 13 of the Wage Agreement for Public Service in the Federal States (TV-L). As stipulated in § 2 (1) sentence 1 of the WissZeitVG (fixed-term employment), the contract will end after one year. According to performance an extension by further two years is intended. In accordance with the provisions of the WissZeitVG and the Agreement on Satisfactory Conditions of Employment, the length of contract may differ in individual cases. The employment is designed to encourage further academic qualification. The position is advertised as 66 % part-time job. In individual cases, this percentage may be reduced on request, as long as this does not conflict with official needs.

Bielefeld University is particularly committed to equal opportunities and the career development of its employees. It offers attractive internal and external training and further training programmes. Employees have the opportunity to use a variety of health, counselling, and prevention programmes. Bielefeld University places great importance on a work-family balance for all its employees.

Application Procedure
For full consideration, your application should be received via either post (see postal address below) or email (a single PDF) document sent to hkrause@math.uni-bielefeld.de by the 10th of October, 2019. Please mark your application with the identification code: wiss19210. Please do not use application portfolios and send only photocopies of original documents because all application materials will be destroyed at the end of the selection procedure. Further information on Bielefeld University can be found on our homepage at www.uni-bielefeld.de. Please note that the possibility of privacy breaches and unauthorized access by third parties cannot be excluded when communicating via unencrypted e-mail. Information on the processing of personal data is available https://www.uni-bielefeld.de/Universitaet/Aktuelles/Stellenausschreibungen/2019_DS-Hinweise_englisch.pdf.
