The Faculty of Business Administration and Economics offers a part-time research position starting October 1st, 2020 (E13 TV-L, non-permanent position)

Your Tasks
- research in economic theory and game theory with particular focus on coalition formation, voting, and Bayesian persuasion (65%)
- teaching undergraduate and graduate courses in the area of economic theory and game theory, up to 2.6 LVs, including grading assistance and supervision of seminars and theses (25%) 
- administrative duties and support in the organization of research projects (10%) 

Your Profile

We expect
- completed Master's degree in economics, mathematical economics, mathematics or related subjects (with good success)
- ability to work independently, self-sufficiently and enthusiastically
- strong organization and coordination ability
- ability to work in teams and cooperate with others
- fluent in English (oral and written)
- intention to pursue a doctoral degree in one of the named topics (the enrollment and active participation in Bielefeld Graduate School of Economics and Management is necessary) 

Preferable qualifications
- previous knowledge in one or more of the following topics: social choice, voting, cooperative game theory, networks

Remuneration
Salary will be paid according to Remuneration level 13 of the Wage Agreement for Public Service in the Federal States (TV-L). As stipulated in § 2 (1) sentence 1 of the WissZeitVG (fixed-term employment) the contract will end after three years. In accordance with the provisions of the WissZeitVG and the Agreement on Satisfactory Conditions of Employment, the length of contract may differ in individual cases. The employment is designed to encourage further academic qualification. The position is advertised as 66 % part-time job. In individual cases, this percentage may be reduced on request, as long as this does not conflict with official needs. 

Bielefeld University is particularly committed to equal opportunities and the career development of its employees. It offers attractive internal and external training and further training programs. Employees have the opportunity to use a variety of health, counseling, and prevention programs. Bielefeld University places great importance on a work-family balance for all its employees.

Application Procedure

Bielefeld University has received a number of awards for its achievements as an equal-opportunity employer and has been recognized as a family-friendly university. The university welcomes applications from women. This is particularly true with regard both to academic and technical posts as well as positions in information technology as well as to the skilled crafts and trades. Applications are handled according to the procedure of the state statutes on equal opportunity. Applications from suitably qualified and severely handicapped persons are explicitly encouraged.
