UNIVERSITÄT BIELEFELD
Fakultät für Geschichtswissenschaft, Philosophie und Theologie

Dear students and colleagues, friends of democracy!

If you are one or all of the following …

Glued to the news as yet another momentous US presidential election nears,
Interested in historically informed analyses and commentary on politics,
Sad but determined to make it through a second digital semester,
Most likely alone, sitting at home instead of in a bar or university café, on Nov. 3rd, 2020…

…then you're warmly invited to join us for a

Virtual US Election Night Party

on November 3rd, 2020, from 11 pm (Bielefeld Time)

for a relaxed yet informative Get Together as we await the election results. There will be a shared TV-screen, beverages and snacks of your choosing, a couple of brief inputs on the US election system and some peculiar aspects of the 2020 race and, last but not least, a live betting contest on how many electoral college votes Joe Biden is going to get – the winner will receive a fake book which we promise is a real price!

Hosts: Christina Morina | Birte Förster | Silke Schwandt | WWW
