

Mentoring agreement as part of the Structured PhD programme of the Department of Psychology

Mentee: _____

Details of the mentor

Name: _____

Institution: _____

The undersigned hereby confirm that mentoring within the framework of the doctoral programme in psychology has been agreed upon. Meetings are planned _____ (at least 2 per year, each lasting approximately 1.5 to 2 hours). The time investment for the mentor is limited to the meetings with the mentee.

It is clear to the mentee that the exchange does not relate to content-related aspects of the doctorate, but that the focus is on topics relating to a successful doctorate and career development.

Mentor and mentee undertake to treat all information and documents exchanged in the context of the mentoring relationship as confidential. This includes personal data, research results, ideas, plans and any other confidential content shared during mentoring sessions or via other communication channels.
