Facilitating Task Proficiency Using Augmented Reality and Unconscious Memory Structures

Information

information (ISSN 2078-2489, CODEN: INFOGG) is a scientific peer-reviewed open access journal of information science and technology, data, knowledge, and communication, and is published monthly online by MDPI. The International Society for Information Studies (ISIS) is affiliated with information and their members receive a discount on the article processing charge.

- **Open Access**—free for readers, with article processing charges (APC) paid by authors or their institutions.
- **High Visibility:** Indexed by EI Compendex, Scopus (Elsevier), Emerging Sources Citation Index (ESCI - Web of Science) and other databases.
- **Rapid Publication:** Manuscripts are peer-reviewed and a first decision provided to authors approximately 15.6 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the second half of 2020).
- **Recognition of Reviewers:** Reviewers who provide timely, thorough peer-review reports receive vouchers entitling them to a discount on the APC of their next publication in any MDPI journal, in appreciation of the work done.
