

Application for an Erasmus+ semester abroad during the academic year 2026/27 – guide for students

Applications for an Erasmus+ semester abroad at a partner university are processed using the database Mobility Online.

The deadline for applications is 02.02.2026 for WiSe 2026/27 and/or SuSe 2027.

In this guide, we explain the most important technical steps in the application process.

We wish you every success with your application!

Your International Office

Search for Partnerships Via the World Map

Before you start on your application, you can find out about partner universities and existing co-operations on our world map:

https://www.service4mobility.com/europe/PortalServlet?identifier=BIELEFE01&showPartner=0&showAll=0&sprache=de&preselectTab=ver_nav_button

The screenshot displays the 'Austauschmöglichkeiten' (Exchange Opportunities) search interface. On the left, under 'Vorselektion' (Preselection), there are filters for 'Studienjahr' (Study Year), 'Studienrichtung' (Study Direction), 'Studienniveau' (Study Level), 'Programm' (Program), and 'Land' (Country). Each filter has a dropdown menu with '<-- Alle -->' (All) selected. The 'Studienniveau' filter has three buttons: 'Bachelor', 'Master', and 'Doktoratsstudium'. Below these filters is a 'KEYWORD' search bar and a 'Suche starten' (Start Search) button. On the right, under 'Karte' (Map), there is a world map showing various regions highlighted with green circles containing numbers (2, 4, 6, 7) and a large orange circle containing the number 213. A blue location pin is also visible on the map.

Here you can use the filter for fields of study, study levels and regions to find the partner universities that are suitable for you.

The Application Form

The first step in your application is to click on the link to the application form:

https://www.service4mobility.com/europe/BewerbungServlet?identifier=BIELEFE01&kz_bew_pers=S&kz_bew_art=OUT&aust_prog=SMS&sprache=en

From here, you will be automatically redirected to the Bielefeld University login website. Please log in there with your university login details. (for further information: <https://www.uni-bielefeld.de/einrichtungen/bits/services/aus/web-authentifizierung/index.xml>)

After successfully registering, you will be redirected back to the Mobility Online application form, which you should now complete:

The application form is only available online during the application period (until 02.02.2026).

IMPORTANT: For "Faculty" and "Field of study", please indicate the Faculty through which you wish to submit this application form. The partner universities available for selection in the form are based on this information.

Please indicate in the form the host universities you wish to visit according to priority. You can select up to three Universities (preferred University 1, 2 and 3)

If you would like to apply through another Faculty, please make a separate application for this Faculty.

It is essential that you clearly state that you are submitting a further application in the form:

Registration and Completion of Personal Data

As soon as you have sent off your application form, you will receive an automatically generated e-mail asking you to register in Mobility Online and giving you corresponding instructions to follow.

This gives you permanent access which you will need repeatedly (if your application is successful) before, during and after your stay abroad.

It takes you to a workflow in which you have an overview of the steps to be completed by you or the Faculty or the International Office in a "to do" list:

✓	Personal data completed	20.11.2025, Test262703 TestLaura	HERE: Complete your personal data

Only now is your application complete!

Selection Process

Your Faculty will review your application after the deadline on 02.02.2026.

First, the faculty will review your individual application documents.

If corrections or additions are necessary, you will receive an email notification. You can then view the accepted or incorrect documents and your faculty's comments and revise your documents accordingly.
