

You are interested in working and studying at the IKG? You are interested in pursuing your own studies, joining a research project to work with us for a time, or you have received a grant and would like to use it to visit the IKG? The IKG welcomes visiting researchers and interns. We can provide you with workspace, academic support and discussions, and collaboration on research projects. We can also help you with practical arrangements such as accommodation, visa, etc.

The IKG cannot, however, itself offer any grants for visiting researchers and interns. Visiting researchers need to be self-supported, or to have adequate funding (such as Alexander von Humboldt Foundation, DAAD, etc.).

To support your request, please help us:

1. Check the website (www.uni-bielefeld.de/ikg) and the projects of the IKG,
2. Answer the questions below (max. 3 pages),
3. Save your application as: appl_lastname_firstname.pdf and send it to kurt.salentin@uni-bielefeld.de; cc: ikg@uni-bielefeld.de.
4. Attach a short CV to your e-mail,
5. If you already have a grant application or an exposé, please attach it too,

We will get back to you as soon as we have had time to discuss your application.

Name

e-mail
