

HELMUT KUZMICS | GRAZ

WAR, EMOTIONS, AND THE EUROPEAN CIVILIZING PROCESS

The Development of War-Related Affects from Feudal
to Industrial Warfare in an Eliasian Perspective

Lecture | 28 Nov 2018 | 18 – 20 Uhr | X-E0-001

Helmut Kuzmics was a professor for Sociology at the University of Graz until his retirement in 2013. His focus areas of research are Historical Sociology, Figural Sociology, Modernity, State-Formation and National Character in Austria and England.

The public lecture is part of a lecture series on violence, change, and transition, with a focus on comparing, organized by the Institute for Interdisciplinary Conflict and Violence Research (IKG), and the SFB 1288.
