Multiple Gender Cultures, Sociology, and Plural Modernities

Re-reading Social Constructions of Gender
across the Globe in a Decolonial Perspective

Edited by **Heidemarie Winkel**, University of Bielefeld,
Germany and **Angelika Pofert**, Technical University of
Dortmund, Germany

Series: Routledge Research in Gender and Society

Until today, Western, European sociology contributes to the social reality of colonial modernity and gender knowledge is a paradigmatic example of it. *Multiple Gender Cultures, Sociology, and Plural Modernities* critically engages with these 'Western eyes' and shifts the focus towards the global variety of gendered socialities and hierarchically entangled social histories.

This is conceptualised as *multiple gender cultures* within *plural modernities*. The volume provides a *re-reading of the social fabric of gender* in contrast to androcentrist-modernist as well as orientalist representations of 'the' gendered *Other*.
