Job Talks/ Lectures
Juniorprofessor (W1) in Philosophy of Science

The Department of Philosophy invites all interested to attend the job talks and lectures that will be given in the context of filling the vacancy of a juniorprofessor (W1, without tenure track) for philosophy of science.

The candidates will give a research talk (25 min & 20 min discussion), which is followed by a demonstration lecture on a topic of their choice (20 min & 10 min discussion with students). The preceding job interview with the committee is not public.
